THE YEAR IS 2045.
IN THE GREATER UNITED STATES, RISING CRIME AND INSECURITY, RACIAL TENSIONS, AND THE GROWING ACTIVITY OF GANGS AND ORGANIZED CRIME HAVE BECOME RAMPANT.
THE PRISON SYSTEM HAS BEEN PRIVATIZED AND IS LARGELY CONTROLLED BY POWERFUL PRIVATE COMPANIES. THE LARGEST OF THEM IS THE BLACKWATER CORPORATION. THE LAW ALLOWS THESE ENTERPRISES TO RUN THEIR PRISONS WITH VIRTUALLY NO LIMITS, WITH WARDENS OPERATING AS GENUINE FEUDAL LORDS.
BLACKWATER
CORPORATION
AND OF ALL THE PRISONS OPERATED BY BLACKWATER, ONE OF THE MOST NOTORIOUS IS ITS WOMEN'S CORRECTIONAL FACILITY.

COURT REPORTER

Despite being suspected of committing more than 30 murders for the cartels, Lopez was only found guilty of one homicide.

My client is innocent of all these cases being attributed to her, and we will prove that this conviction is also incorrect.

What's in it it for me?

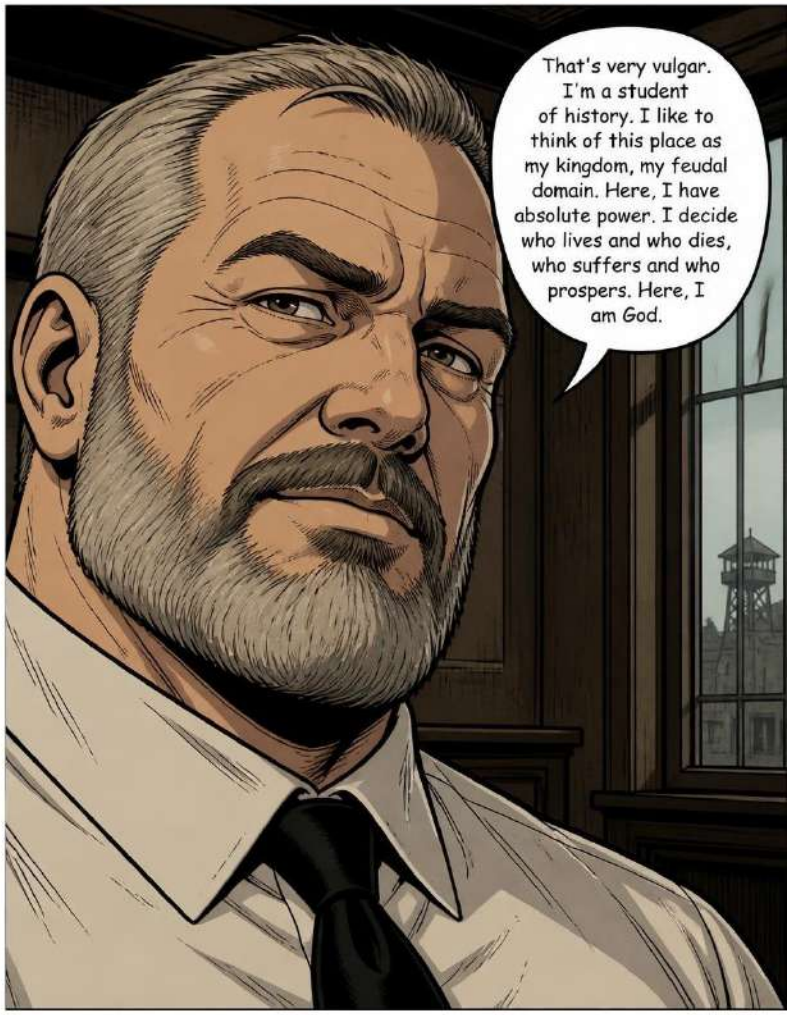

Benefits. Privileges. Gifts. Your own cell, no work assignments, and certain special permissions.

Like a whore?
I like to think of it more as a transaction between consenting adults.

I hope my frankness doesn't offend you.
Do you really think you're the first man who's tried to force me?

No. I read your file.

What I don't understand is why you're bothering. Why the benefits? I'm a prisoner here. It's not like I can defend myself. If you want to rape me and I couldn't stop you.

That's very vulgar. I'm a student of history. I like to think of this place as my kingdom, my feudal domain. Here, I have absolute power. I decide who lives and who dies, who suffers and who prospers. Here, I am God.
