## Fishes Out of Water

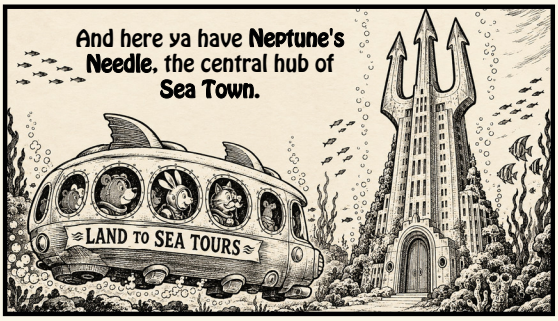

Written by Eli Tell

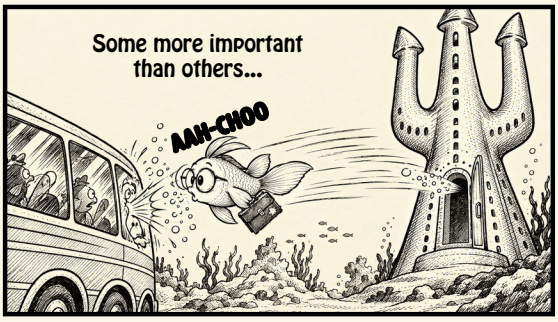

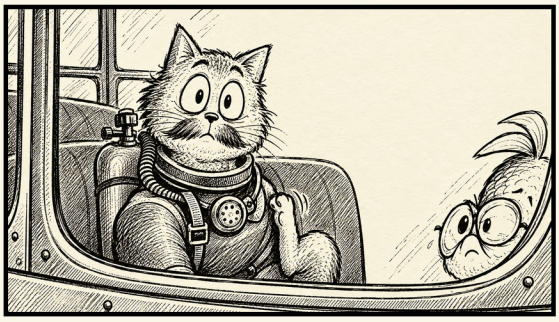

AYE, I'M SWIMMIN' HERE!
These fish, they're animals!

No, not you, mom.

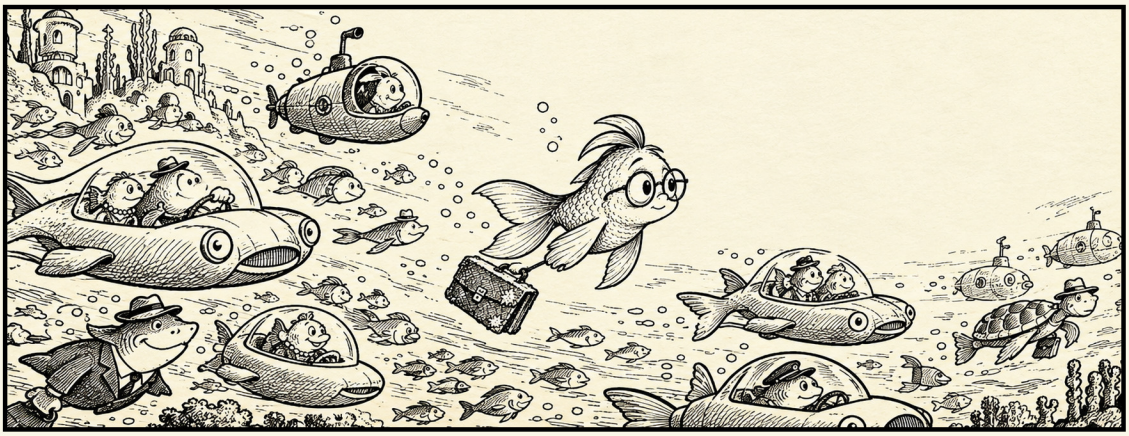

And here ya have Neptune's Needle, the central hub of Sea Town.
LAND TO SEA TOURS

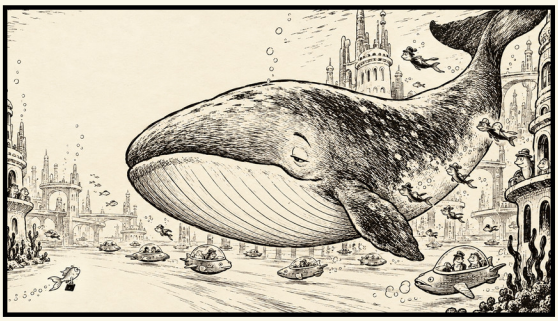

It's where all the most important sea creatures do their business.

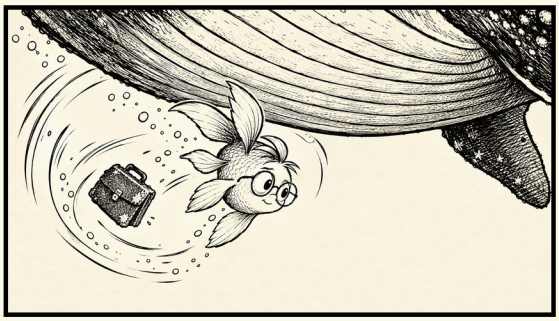

Some more important than others...
AAH-CHOO

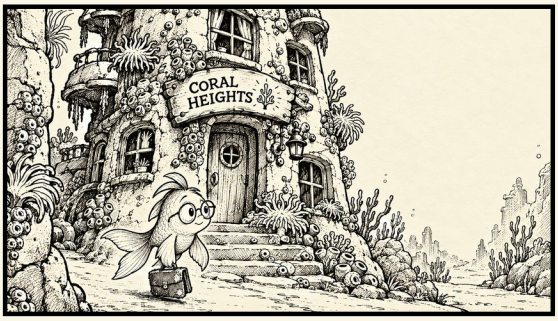

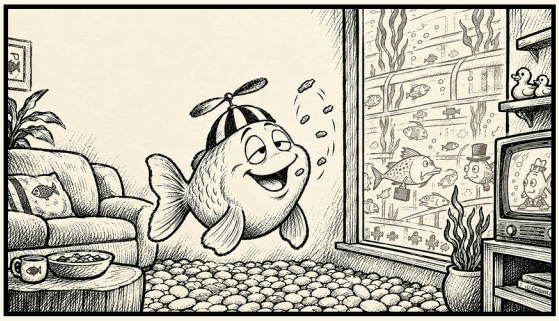

I think I'm allergic to tourists...

Beanie!
Bubbler!

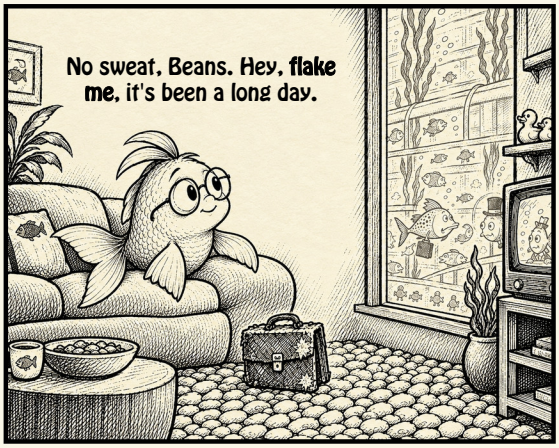

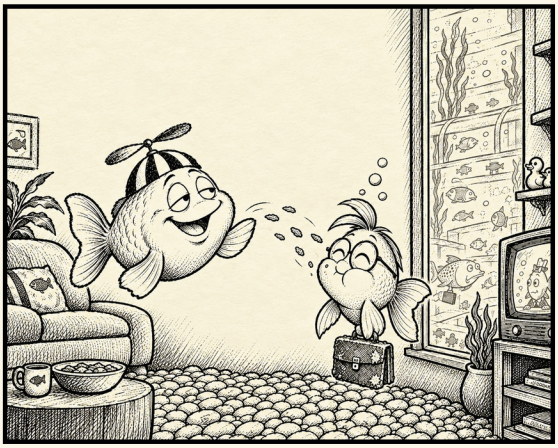

They sure got you workin' like a **seahorse**, huh?
Yeah, I feel like I'm spinning my **water wheels** over there.

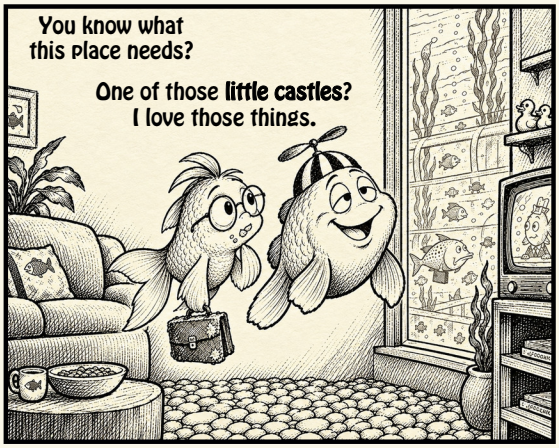

Well, in good news, I'm getting pretty good at catching these **fishy flakes** in my mouth!

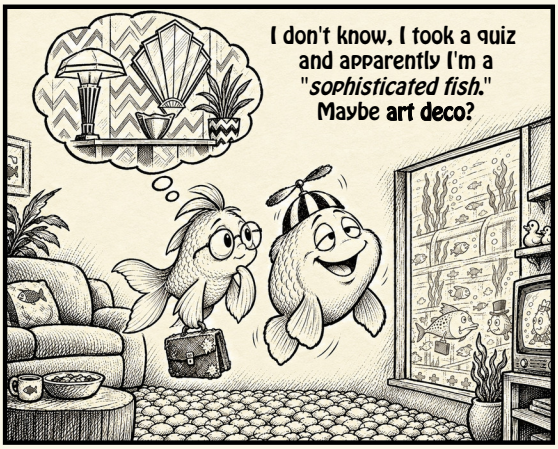

Hey, good for you! Keep up the great work.

Thanks again for letting me stay here. Ever since I lost my job at the **kelp farms**, this little place has felt like *heaven in water*.

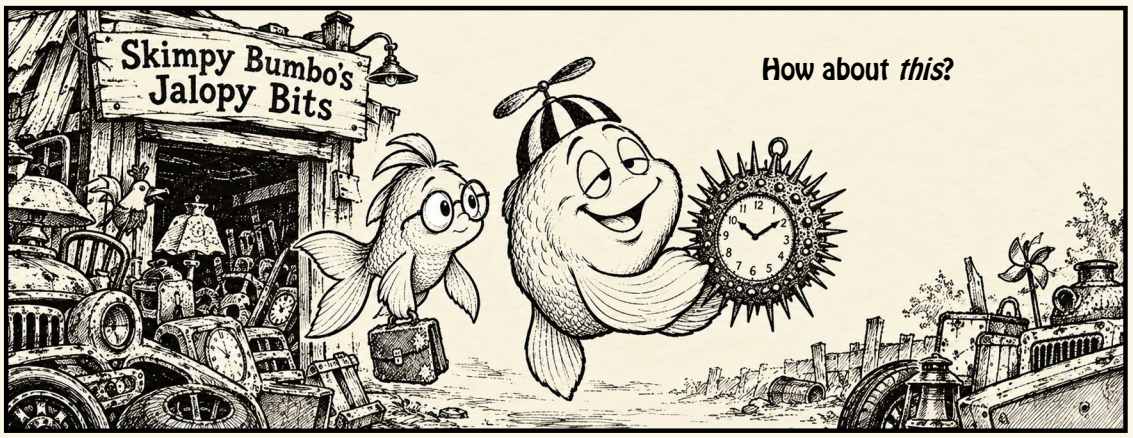

No sweat, Beans. Hey, **flake me**, it's been a long day.

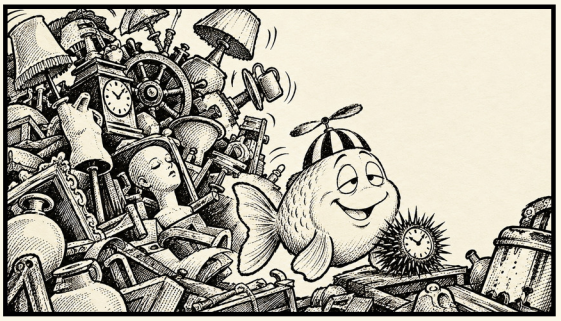

You know what this place needs?
One of those **little castles**? I love those things.

I don't know, I took a quiz and apparently I'm a "*sophisticated fish*." Maybe **art deco**?

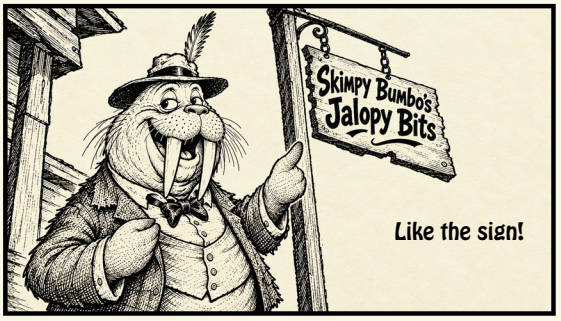

Oh yeah, that'd be great!
Feel like an adventure?
Always!

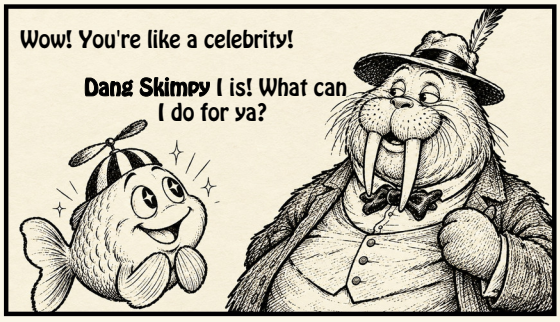

Skimpy Bumbo's Jalopy Bits
How about *this*?

Yeah, I didn't want it either, the passage of time can be so painful.

Howdy fishes!
The name's Bumbo, **Skimpy Bumbo**–

Like the sign!

Wow! You're like a celebrity!
**Dang Skimpy** I is! What can I do for ya?

Just lookin' for some art for my apartment.

Come again?
**Apartment ashmartshmint**, what you slippery little snacks need is a good, solid **cruiser**!
