BOOM

FLOOR 1: ASCENSION HALL
DEFEAT THE GUARDIAN

Of course.

Returned?

You should never have returned.

No map.
No warning.
No way back.

QUANTUM SHOP

So let me get this straight.

You dragged me to a giant death door...

...and now you're selling me supplies?

I prefer the term guiding.

Beyond this gate is the Tower.

Seven floors. Seven trials.

Clear them all, and you may leave.

What do you mean, "may leave"?

If you fail, the Tower keeps you.

If you survive... it gives you what you came for.

And what exactly did I come for?

You tell me, Jay.

WELCOME, CLIMBER

FLOOR 1 AWAITS

EXIT CONDITION: COMPLETE THE TOWER

Don't let him reach the top.

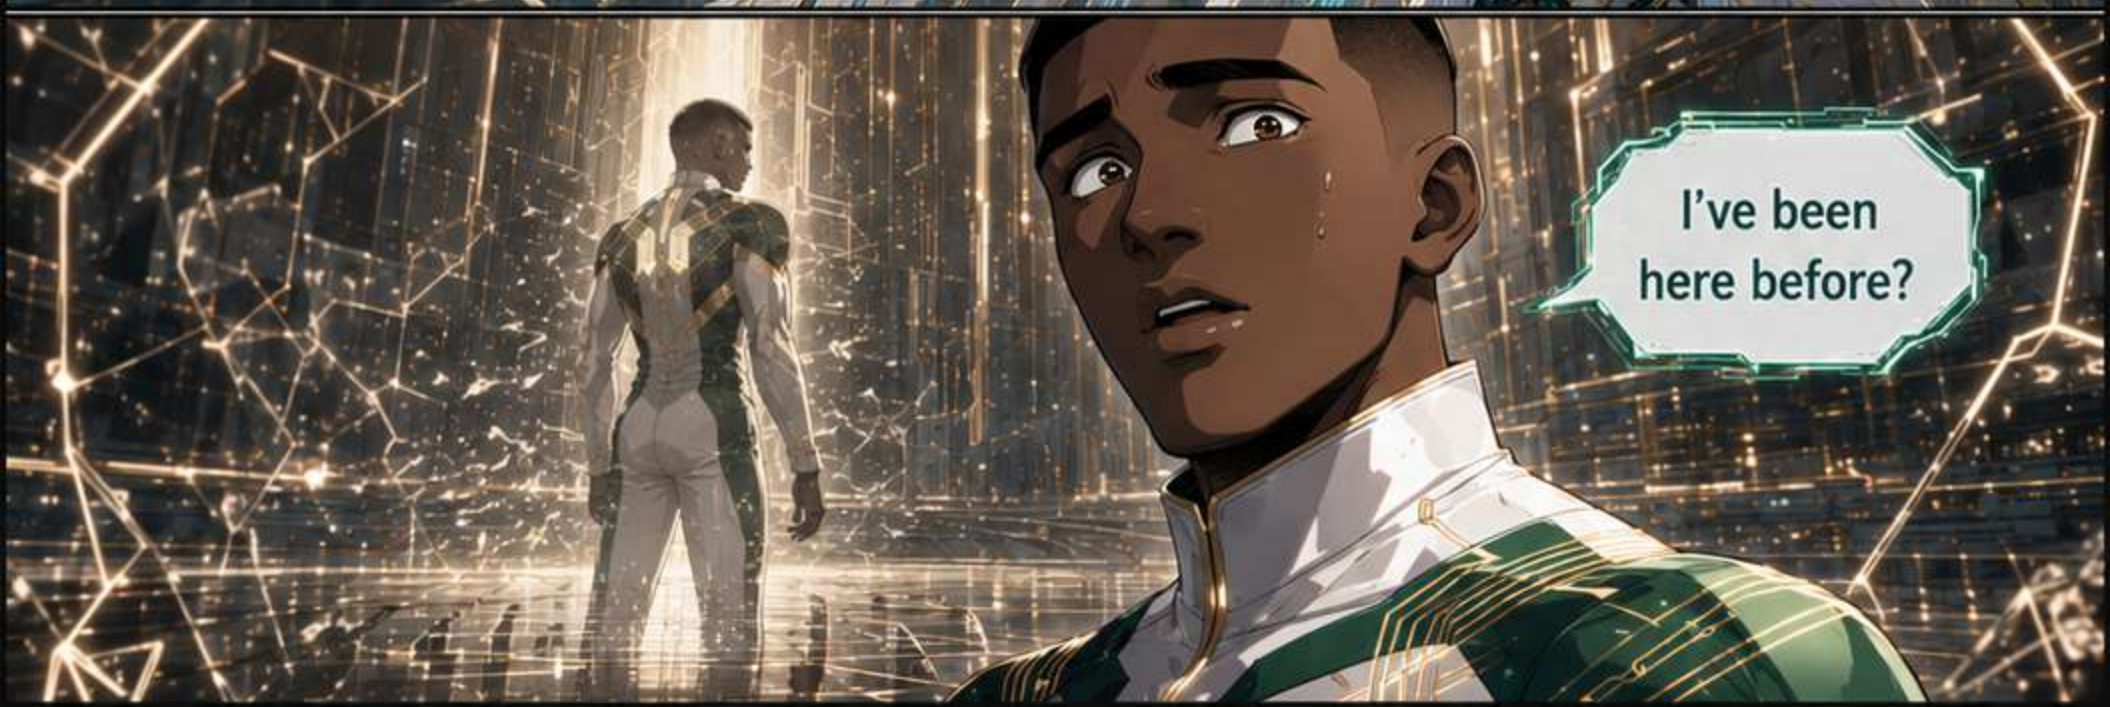

....Who said that?

SHRAAM!

QUANTUM FUSION
ONLINE

You failed this trial once before.

I've been here before?

So that wasn't a vision. Felt way too real.

Your memories were sealed for a reason!

Sealed? Then who sealed them?

Defeat me—and the Tower will answer.

So the halos are your power source...

Knowing that won't save you.

Oh no? Okay... then try this.

NEW ABILITY UNLOCKED —

QUANTUM COMPRESSION

KRAAAM!

IMPRESSIVE... FOR A FIRST FLOOR.

WAIT TILL YOU SEE ME ON FLOOR TWO.

TAKE IT. YOUR MEMORIES WILL RETURN.

FLOOR CLEARED

RIGHT ON SCHEDULE.

YOU ALWAYS DID FIGHT LOUDLY.

QUANTUM SHOP

ALWAYS? WHAT DOES THAT MEAN?

ASK AGAIN WHEN YOU SURVIVE THE NEXT FLOOR.

I'M REALLY STARTING NOT TO LIKE YOU OR THIS PLACE.

FLOOR 2 —
FRACTURED REALM

A bottomless pit. Really?

I know you're there.

THOOM... THOOM...

BRAMBLE SENTINEL DETECTED

The returned one must not climb.

Okay, do everybody know me around here?

FLOOR 2
FRACTURED REALM

You could've started with hello!

I cannot stop... the Tower commands me.

Then I'm not fighting you. I'm setting you free.

QUANTUM CIRCUIT ACTIVATED

Why would you free me?

I don't like anyone being a prisoner.
