Hello world!
I'm Extortius.
I just thought I'd make a quick video for any new subscribers to get to know me.
I'm a pretty chill guy, I like music, and collectibles—

Oh, and I'm a supervillain!
I'm not very well known yet, but my Dad, Captain Cannibal, he used to be the most famous villain of his time. He's retired now, and we live in Villaindale.
I'm under constant pressure to be a great villain like he was in his prime. It's hard to live up to his standards.
I'm not like him in many ways, he can be a real butthole sometimes. I'm a lot more laid back and easy going, but one day, I'm gonna be more famous than even he was!
Anyways, I'll make more videos to chronicle my supervillain journey.
If you haven't subscribed, you should do it now!
Anyways... I never know how to end these things.
Okay bye.

Extortius dear. What are you doing sweetheart? On your computer again?
Yeah Mom, just editing this video blog.
That's nice Gummy Bear. I made you a lunch for work.
